TRUBPHONE No. 12.

Hongrong, September 14th, 1889.

WHAT to do with the city refuse has cleary exercised the minds of the members of the Sunitary Board very considerably, and the flag will call alongside any vessel hoisting code fighting for the family !"" decision they have at last come to seems to have been serived at with some dubiousness. But the feeling against dumping the stuff on the foreshore at Mong Robstani was pretty general, and the cost of an incinerator, which, the Colonial Surgeon stated, lode of copper pyrites too has been found there. Greenwich," was performed, in which Mr. J. would have been three times the amount the greatly facilitate the finding of underground Hackett as Lucretia Buzzard, successfully sus-Board had estimated, appears to have caused | wealth. that project to be dropped without more ado. The Board then fell back upon the about 2 a.m. on the 11th instant, at Wong Sa in the waiter, and Mrs. M. Langford as Sally, did, time. sea, to be emptied in nature's vast receptacle. burned furiously, but w large number of hand given, in which Mr. A. E. Crouch easy the expedient of sending the rubbish out to the Western Suburb near the river bank. It full justice to their respective parts. After an It is to be conveyed out by junk; that seems, engines, well supplied with water, were brought comic song "You can tell him by he Bumps," largery of the shees, as he never took them out local agents of the new venture. This taken in Knight was organising an expedition to go in though there was some divergence of opinion opinion that the boats containing the refuse Dr. Ho Kar thinks at smuld be better to most feasible plan, and if the mine were held "Mr. Jones," which elicited a most determined this objectionable matter our be banished have a 5 per cent royalty. the better. But it would be expensive work outside the hardour, or even at the back of have to leave for Shanghai, as his help and on the the back of have to leave for Shanghai, as his help and on those in search of entertainent cannot do better watched the case on behalf of the Opinus Farmer, that would have been considered impossible and went down the anchor. I found that Stonecutter's Island? According to the pro- coursement will be greatly missed.

posed agreement, too, it will be open to the contractor to dump it on a tidal foreshore. Unless steps are taken to supervise the disposal of the rubbish there is danger that it may be deposited on some place where it, will be

their rejection of the Secretary's proposal flone, and very valid ones, against this (308 scheme; but it would have been as well to state them. But if a contractor is to be a lowed to empty the rubbish pretty much where or when the pleases it is doubtful whether we may not run as much risk of the waters of the harbour being polinted as we should from the dumping process at of bones, an old oil lamp, and broken pieces of Kowloon. Would it not be possible arrange to take the rubbish to some small island at a distance and get the people there able to reach depths of 200 or 300 feet through to burn it P Possibly there are some Chinese most efficacious for cleansing and purifying the who would gladly receive It to convert into fertilising material. If so this would b a better than emptying it into the sea. any case, whatever is decided, the Board now at work in Paliang have found any traces of should be careful not to enter into tanv and are strongly recommanded for general use contract, which does not admit of a check Hindoo or Siameso miners had to abandon their being placed over the contractor, to: prevent him from fooling the barbour with the refuge the depths mentioned. as will inevitably happen, unless the work is done under European supervision of some innimals and birds in the Singapora Botanical

the capital sentence as the penalty for being headman or active agent of a Chinese Secret large size, and a wild dog, presented by hi Society, almost, immediately after the in- Coply from Malacca. The wild dog is peculiarly fliction of that punishment on six headmen of a Society in Sarawak, is rather suggestive. The Resident, Mr. Swettenman, is report-TRANSPARENT, guaranteed to contain 10 per ed to have expressed the opinion that the danger to be apprehended from these Socie- the interior of the paninant. The wild dog has ties is not sufficient to justify the infliction of capital punishment, and he thought it inadvisable to decree a benalty which was TRANSPARENT, guaranteed to contain 5 per cent not likely to be carried out. The Sultan and other members of the Council agreed with the Resident, and an order was unanimously adopted, " rendering orcanisors or members of secret societies liable to fine, imprisonment, whipping, deportation, and conficcation of property." Now if the danger to be apprehended from these-Societies-does not justify the death penalty in Perak, can it do so in Surawak? "Rujeh Brooks and his Council evidently have the fullest conviction that the imposition of such a penalty is justified and is necessary. But it is extremely probable that the humanitarian party in England, when they hear of the recent summary suppression of what might have proved a most dangerous movement in Sarawak, will be piously shocked to think that six men were executed in a state in Borneo governed by an English Rajub for only conspiring to Thibet, they have probably suffered much greamurder. They will argue that conspiracy to ter injury than advancement. murder is not a capital offence under Eng-Guaranteed to contain the largest percentage link law, and that the Sarawak Government should have waited until murder had been committed before resurting to such extreme have a very delicate Skin easily affected by wind measures. Had the Rajah done this it is possible there might have been no European fficials left to see such a sentence carried out This is a contingency, however, that would as possible. This move fully bears out the rehardly be taken account of by the Eteler that the Sikkin question is to be dropped with had imposed a sentence of three months' impriare pure, and the base of all is the same, but the Hall body; they exhaust their very narrow out my formal settlement of which we are furperfumes differ. THE WRECK OF THE "BARON BLANTYRE."

The Singapore Free Press of the 4th just ave: - We have already announced the wreck of two of the apprentices of the step named P. H. Tackson and Thos. Bell, The Tast na red lad eilors' Home. It appears the the Baron Williams is really speaking the truth we are Directora J. Taylor, master, left Cardiff on the likely to hour move of it .- St. James's Gusette 25th of May last bound for Aujer. The vessel arrived there on the 21st August and staved there for four days. They had a pleasent voyage not like the Baron Colonsan, a dister ship, which lost all her boats, bulwarks, look on es, etc on the passage out during a gale, off the Cape of Good Hope. On Wednesday st anguer 28th the ship then being in the moderate breeze blewing, also struck at about a September :- For London-5.985 lbs. Congon Benca Biraits with a strong tide running and a quarter to four, on an unknown reat. The Chief tea. 223,167 lbs. Scented Caper tea, 8,190 lbs. floer, Mr. Williams, was on deck at the time with the port watch. Directly after the vessel struck all sail was clawed up and the vessel bugan to sink at the stern almost immediately. The starboard lifebont was launched, while Captain Taylor, and the third officer went away in the diagrato hall the stermer P mang, which just then had hove in sight. Twelve of the crew got into the lifeboat, but the tide was ruuing so strong that two of the man out of had to get into the dings and belp to pull the boat back to the slip. he chief officer, Officer, sailmaker, donkey man, cook, steward and bootswain refused to leave the ship. The crew all told consisted of twenty-eight including

chronometers and other valuable from was put into her by apprentices Bell and Watson, who then pulled over to the steamer Penany, which had all this time been standing by the ship, which was settli g fast. The master told the two lads, who came this morning, to get away by the Penang, as they could do no good on board the ship. The Penang steamed away for her destination, Cheribon and Samarang, the same evening (Wednesday): When she left, the Baron Blantyre was settling lown fast, her poop was under water and the sea was washing over her mainbatch. The domage was abaft the bulkhead. The crew were able to save all their things, but the master and officers lost everything. When the vessel struck she was about four or five miles off the According to the boys' story the wrecking party sent down on the 2nd inst. in the steamer Banghok will not have much chance to save the

THE LETTER OF MICHAEL BUNLOCKS. " Lear Greeba," the letter ran. "I am sorely ashamed of my long silence, which is deeply ungracious towards you Though something bet. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. ly beset by the anxieties that have come with Jason for keeping it back from her by his forget. In the little green island, the time has seemed by the green island. The little green island, the time has seemed by the green island. left the little green island, the time has seemed vanities. Thus in this first lull after the Sunlocks for its tardy despatch, and last of all

"When I came to Iceland it was not to join the Latin school of the canerable Bishop Patersen to worthy man and good Christian, whom it remember me and would we loome me, and that her misfortunes that, though she had been the daughter of the Governor-General, and the inhabitants of the capital of Iceland are fewer than two thousand in all, I was more than a surely there is no Providence dispensing justice at last she was in her grave. The poor soul had the first chapter of my quest.

But I had still another duty, and, touched by the pathos of that timeless death, I set about it with new vigour. This was to learn if the un shore upon. happy soul had left a child behind her, and if she had done so to look for it as I had looked for my own age or thereshouts, and therefore less known about him, says that he had been his me as the old ones are. One old friend, the cld-prother's sole stay and companion, that they had not been his both lived apart from their neighbours, and for beauty and sweet grace, is still the closest to much under the shadow of their distresses. At my heart. Do you know whom I mean? Greeks, the said almost insudibly, and drew a long breath, Then he made pretence to kiss ber, though so far out of reach, and laughed in the shadow of their distresses. At my heart. Do you know whom I mean? Greeks, the said almost insudibly, and drew a long breath, Then he made pretence to kiss ber, though so far out of reach, and laughed in the shadow of their distresses. At than twenty at that time. Little seemed to be seen by anyone who could make a guess as to what had become of him. But, whilst I was still in the midst of my search, the body of a young man came ashore on the island of Engy, and though the features were no longer to be recognised, yet there were many in the fishing quarter of this city who could swear, from evidences of the thought of this one. I am almost in love stature and of clothing, to its identity with him I looked for and thur the second chapter of

my quest seemed to close at a tomb.

a noticed that the good old Lutheran priest who " had sat with the poor mother in her last hours shook his head at the mention of it, though he would give no reasons for his determined unbel cf. But perhaps my seal was flagging, for my search ceased from that hour, and as often since as my conscience has reproached me with a masion unfulfilled I have appeared it with the assurance that mother and con are both gone, and death itself has been my sure abridgement " Some day, dear Greebs, I will tell you who sent me (which you may partly guess) and who the night follows, or once letting it slip it will drop into a chaos. For a thing happened just at that more of my wavering which altered the

was to be devoted to an unselfish work seems to have been given up to personal ambitions. I have mentioned that the good woman had been the daughter of the Governor-General, this name was Jorgon Jorgonsen. He had thened her adrift because of her marriage, which was in defiance of his wish, and through all the years of her poverty he had either abundaned her to ber necesities or her pride had hidden them from his knowledge. But he had heard of herdeath when it came to pass, and by that time his stubborn spirit had begun to feel the lonesomeness of his years, and that life was slipping past him without the love and tenderness of a child to sweeten it. Bu partly out of remorse, but mainly dut of selfishness, he had set out to find the son whom his dung hter had left behind here. thinking to give the boy the rightful place of a grandson by his side. 'It was then that on the same search our paths converged, and Jorgen Jorgensen. And when the news reached goes with it, and I will not lose a day more in Jorgensen met with me, and I with Jorgen Reykjavik of the body that had come out of the first to give credence to the rumonr that the son | Write by the first ship that will bring your ses at Engy, the Governor was among the of his daughter was dead. But meantime he letter. I shall not rest until I have heard from had found something in me to interest birs. and now he asked who I was, a d what, and why I was come. His questions I answered plainly without concealment or any disguiss, and when he heard that I was the son of Stephen Orry. though he knew too well what my father had been to him and to his daughter (all of which, dear Greebs, you sliall yet learn at length, he asked me to take that place in his house that he

had intended for his daughter's son: "How I came to agree to this while I trusted him and almost feared him would take too long to tell. Only remember that I was in t country foreign to me, though it was my father's bome, that I was triffing with my errand there. and had no solid business of life beside. Enough became the bousemate and daily companion of brought back of the vessel your father sailed in. with her the temptation was not strong to break-Jorgen Jorgensen. His treatment of me varied and no certain intelligence has yet reached me in upon his happiness, but when he was no with his moods, which were many. Sometimes from any other quarter. So let me not alarm longer there, do what she would she could not it was hard, sometimes almost genial, and al. you when I add that a report has come to Reykj. but remember Michael Sunlocks. ways selfish. I think I worked for him as a svik by a whaler on the seas under Sprefell that ... Oh, went have I done that two brave men loyal servant should, taking no account of his an Irish subconer has lately been wrecked near should love me?" she thought; but none the less promises, and never shutting my eyes to my the month of some basaltic caves by Stappen, for that her heart clamoured for Sunlocks. Sun true position or his real aims in having me. all bands being saved, but the vessel gone to looks, Sunlooks, always Sunlooks—the Sunlooks And often and again when I remembered all pieces, and drew and passengers trying to make of her childhood, her girlhood, her first womanthat we both knew of what had gone before; I their way to the capital overland. I am afraid hood—Sunlocks of the bright eyes and the thought the Fates themselves must shriek at to fear, and as much afraid to hope, that this smile like sunshing. the turn of fortune's wheel that had thrown may have, been the ship that brought your. And thinking again of Jason, and his brave

could in the years I was with him to drain me of company, for whoever they are they can know day into words with wings, she only told hersolf my best strength of heart and brain, but some of little of the perils and privations of a long tramp that she was about to break his heart, and that his selfish ends seemed to lie in the way of my across this desolate country. If more and better to see berself do it would go far to break her own advancement. Thus he had set his mind news should come my way you shall have it in own. So she decided that she would write to on my succeeding him in the governor hip, or its turn, but meantime bethink you carneally him, and then slip away as best she could, seeing had me elected to Althing, a legislative body join me, and your father also, if he should then At that resolve she sat and wrote four pages very like to the House of Keys. There he made be here, and, if not, to help me to search for him. of pleading and prayer and explanation. But his first great error in our relations, for while I But it is harely just to you to ask so much with having finished her letter, it smote hor sudwas a servant in his house and office my mind out making myself clear, though truly you must dealy, as she folded and sealed it, that it would

that occurred in the three years thereafter; how these years I have heard myself whisper that self. As mean of soul as that the could not be, my eyes without having the power or right to vision of my own face in your beautiful eyes solved to tell her story face to face. Then she *protest while I kept the shelter of the Governor's before me But that is not to be, save in an remembered the night of Stephen Orry's death, roof; how I left his house and a-parated from gitermath of love, if you will only let the future and the white lips of Jason as he stood above the him; how I pursued my way apart from him, bring it. Go to Sunlocks, and stoop to me. -for I am an Icelander, too, proud of the old thereby break her word and the heart of Jason, country and its all but thousand years—there is or abide by Jason, and break her own heart and a secret joy in my cup of fortune, the awastest the hope of Sunlocks "Oh," she thought, "in part of it is that there are those—there is one— the letter had but come a day earlier—one little indear little Ellan Vannin who will, I truly think, day-nay, one hour-one little, little hour? rejoice with me and be glad. But I am too close. Then, in her tortured mind, she reproached my trouble."

I have been immersed in many interests and busy with many active preparations. Jorgen "Oh," she thought, "was ever a girl born to I do not love you." heset by many anxieties. But I well know that Jorgensen has gone to Copenhagen, where he bring such misery to those who love her !" nothing can quite excuse me, and I would wrong will surely incite the Danish Government to re. All the long night thereafter the tossed in the truth if I were to say that among fresh prisals, though a powerful State might well restless doubt, never once closing her eyes in prisals, though a powerful State might well restless doubt, never once closing her eyes in the same borne should be prisals, though a powerful State might will restless doubt. heart has been to return to it some day. That my hands are full of anxious labour; and that came to her from across the fields the sound of my hands are full of anxious labour; and that came to her from across the fields the sound of my hands are full of anxious labour; and that came to her from across the fields the sound of my hands are full of anxious labour; and that if, a happy, cheery voice that was singing. She mised myself to you have been to return to it is coming, and now lask you to my hands are full of anxious labour; and that if, a happy, cheery voice that was singing. She my presence here seems necessary now. But if, a happy, cheery voice that was singing. She my presence here seems necessary now. But if, a happy, cheery voice that was singing. She my presence here seems necessary now. But if, a happy, cheery voice that was singing. She my presence here seems necessary now. But if, a happy, cheery voice that was lason, chanting happy and the stood of the first h forgive me if you can, or at least hear me no the end, and Denmark leaves us to oursives, or a song of Iceland after a night spent on the get that my true home is in the dear island of swinging stride and leap, over gorse and ousbag, much his answer cost him. the Irish Sea, and that good sonis are there who and bedge and ditch.

much but out tell you little now. The first of "And now, dear Greeks, you know what out my duties was to find a good woman and true bappened to me since we parted on that sweet But recking nothing of this, Jason came on, wife who had suffered deeply by the great fault night at the gate of Lague, but I know nothing singing in snatches and whistling by turns, un of another, and having found her, to succour her of all that he occurred to you. My negleut has til his firm tread echoed in the paved courtyard in her distress. It says much for the depth of been well punished by my ignorance and my in the silence that was broken by nothing beside,

"How is your father? Is the dear man well, and happy, and prosperous? He must be so, or

died within fortuight of my landing on those they changed you greatly? Yet how can you aslant, and saw him beneath her casement. He beies, and the joiner of the cathedral was put answer such a question? Only say that you are looked buoyant and joyous, and fall of laughter. ting a little wood n per inscribed with the in- well, and have been always well, and I will know A gun was over his shoulder, a fishing rod was itials of her name, over her grave in the forgot the rest, dear Greebs—that the four years past in the other hand, at his belt hung a brace of ten quarter of the cemetery where the dead poor have only done what the preceding eight-sears birds, with the blood dripping on to his leggings, bave only done what the preceding eight-sears birds, with the blood dripping on to his leggings, birds are buried. Such was the close of did, in ripening the bloom of the sweetest woman. hood, in softening the dark light of the most "Greeba, whisht!" he called again, in a loud glorious oves, and in smoothing the dimples of whisper; and a third time he called her. the loveliest face that ever the age of heavan Then, though her heart smote her hard, she

> Have you made any new friends ? I have made the lad who loved her there. many, yet none that seem to have got as close to manners so that I had left you little breath. Twe list shot them." Have you forgotten? To me it is a delicious memory, and if it is not a painful one to you,

then all is well with both of us. But oh for the time to come, when many a similar promise, and with myself to think it was I who stood with you by the bridge at Lague, and could find it in I cannot say that I was fully satisfied, for my heart, if it were only in my power, to kiss nothing that I had heard of the boy's character the lips that kissed you. Til do better than that Leemed to agree with any thought of suicide, and some day. What say you? But say nothing. At this point there was a break in the letter. and what came after was in a larger, looser, and

more rapid hand writing. "Your letter has this moment reached me. am overwhelmed by the bad news you send me. Your father has not yet come. Did his ship sail for Revkjavik? Or was it for Hafnafjörd? Certainly it may have put in at the Orkneys, or the Farces. But if it sailed a fortnight before you wrote, it ought to be here now. I will make

inquiries forthwith. "I interrupted my letter to send a boat down it, he shall have a thousand, thousand welcomes. The deer good man-how well I remember that on the day I parted from him he rallied me on current of my life, so that my time here, which my fears, and said he would yet come here to And the worst of his misfortunes have followed on his generosities! Such big-hearted men should have a store like the widow's cruse to draw from that would grow no less, lowever often they dipped into it. God keep him till we meet again and I hold once more that hand of charity and blessing, or have it resting on my head. "I am anxious on your so ount also, dearest

Greebs, for I know too well what your coudition must be in your mother's house. My dear girl. forgive me for what I send you with this letter. he day I left the island your father jent me fifty pounds, and now I repay it to his daughter. So it is not a gift, and, if it were, you should. still take it from me, seeing there are no obligations among those who love.

"The duties that held me here are now for the first time irksome; for I am longing for the chance of hastening to your side. But only say that I may do so with your consent and all that bring you here to rejoin your father and me you; and having heard in such words as my heart could wish. I shall not sleep until you are with me, never, never to be parted from me

ugain as long us life itself shall last. Write. dearest girl-write-write. Here there was another break in the letter and then came this postsoriut It is part of the penalty of life in these northern lands that for nearly one half of the year we are entirely out off from intercourse with the rest of the world, and are at the mercy four his strong rhythule steps went off behind of wind and sea for that benefit during the other half. My letter has waited these seven days for the passing of a storm before the ship that is to carry it can sail. This interval has seen the return of the sloop that I sent down the ford as far as Smoky Point, but no tidings has she tried to keep Jason by her side, for while he was father; but I am fitting out an expedition to go ways, and his simple manly bearing, and his "I say be was selfish; and truly he did all he along the coast to meet the poor shipbroken plain speech so strangely lifted out of itself, that

at least becoming Speaker, and to that end he whether it is not now for you to come and to him no more. and will were his, but when I became a delegate bave groused my meaning. Then, dear Greba, be a selfish thing to steal away without warm-they became my own, in charge for the people when I say Come, I mean Come to be my wife. ing, and leave this poor paper behind her to It sounds cold to say it so, and such a plan is not ernsh Jason, for though written in pity for him, "It would be a long story to tell you of all the one my heart has che ished; for through all in truth it was fraught with pity only for her-I saw many a doubtful scheme hatched under dear word through trembling lips with a luminous and straightway abe threw her letter aside, re-

What have you been doing all this time? the morning light, and very sweet she looked to

"Then you've not been to bed," said Greeba "Oh, that's nothing," he said, laughing. " Nothing for me. Besides, how could I sleep! many a like breach of manuers, will wipe away Sleep? Why I should have been ready to kill myself this morning if I could have slept last

" You could never think what a glorious night. has been for me." "So you've had good sport?" she said, feel iog ashumed Sport!" he oried, and laughed again. I'en had sport enough," he said. "But what a night it was! The happiest night of all

my life. Every star that shone seemed to shine IRELAND. for me; every wind that blow seemed to bring me a message; and every bird that mang, as the day was dawning, seemed to sing the song of all my bappiness. Ob. it has been a triumphant night: Greeks." She turned her head away from him, but he

"And this morning coming down from Barthey were to whom I was sent. But it is like the fiord to look. It is gone. I can see it now rule, everything seemed to speak to me of one the way of the world itself, that, having set our skirting the Smoky Harbour on its way to the thing, and that was the deerest thing in all the selves a test, we must follow it as regularly as Smoky Point. If your father comes back with world. Dear little river, I said, how happily you sing your way to the sea. And then I re- of weakness. Keeps good in the hottest climates and membered that before it got there it would turn the wheel for us at Port.y-Vullin some day, and so I said 'Dear little mill; how merrily you'll go when I li-ten to your plash and plunge, with her I love beside me.

She did not speak, and after a moment he "That's very foolish, isn't it?" he said. . " ()h no," said. " Why foolish'?"...

"Well it sounds so; but, ah, last night the stars around me on the mountain top seemed like a senctuary, and this morning the birds among India. the gorse were like a choir, and all kang together, and away to the roof their word rang out-Greebs !- Greebs! Greebs!" He could hear a faint sobbing.

"Greeba!" You are crring. "Am If Ol; no! No. Jason, not that." "I must go: What a fool I am," he mutter.

and picked up his gun. "Oh no; don't say that." Greeba! Well Jason P" "I'm going now, but-

"I'm ant my own man this morning. I'm " Well, and do you think a girl doesn't like hie threw his bead back and langued at the " But I'm coming back for you in the evening. I am to get the last of my rafters on London.

to-day, and when a building is raised it's a time to make merry. He laughed again with a joyous lightness, and turned to go, and she waved her hand to him as he passed out of the gate. Then, one, two, three, sun wasgone with him; for its brightness seemed

to have died out of the air. And being alone Greeba knew why she had

recalled his laughter of that morning, and she

to propose to Althing a new constitution for Now never did a letter bring more contrary cluded that tell him she must, let happen what lating her time-honoured customs, and how I led Sunlocks brought to Greeks. It thrilled her with He came back at sundown to fetch her away pleasing fragrance to the breath. the oppoition to this unworthy project and love, it terrified her with fear; it touched her that they might make some innecent sport to defeated it. The end of all is that within with delight, it chilled her with despair; it gether because his mill was roofed. Then with preserves and beautifies the hair, and can be these two months leeland has risen against the made her laugh, it made her wasp; she kissed ber even on her feet she speke, and he latened also had in a golden colour. rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of Denmark as administered by Jorgon it with quivering lips, she dropped it from in a dull impassive silence, while all the language rule of the lips of the

of wild beast I days may not fit to touch the hand of a lady, and maybe a lady ofuld never No, no, there's not a lity in all the world would stoop if she were to marry you." Then maybe I vexed you by finding my own advantage in your hour of need." "No, you have behaved bravely with me in Then, Greebs, tall me what has happened

" Nothing-everything: Jason, I have wrong. to fly more swiftly than a weaver's shuttle, and storm of our revolution I have to be she reproceded herself for not-waiting, for it ed you. It is no fault of yours, but now I know to be she reproceded herself for not-waiting, for it ed you. It is no fault of yours, but now I know he spoke again his voice broke in his throat. "You could never think how fast and close my love will grow. Let us wait, he said. It would be useless," she answered. "Stay," he said stiffly, "do you love anyone

But before the had time to speak, he sai quickly, "Weit! I've no right to ack that question, and I will not hear you answor it.". You are very noble. Jason." she said.

"I was thinking of myself," he said. "Jason," she oried, "I meant to ask you to release me, but you have put me to shame and now I ask you to choose for me. I have promised myself to you, and if you wish it I will At that he stood, a corrowful man, beside her grudge, and let me tell you of some of the strange the powers of Europe rise against Denmark, and she looked and saw that he was for a moment's space before he answered her, the powers of Europe rise against Denmark, mountains; and she looked and saw that he was for a moment's space before he answered her, the powers of Europe rise against Denmark. the powers of Europe rise against Denmars, mountains; and saw that have befallen me since we parted.

Things that have befallen me since we parted.

The powers of Europe rise against Denmars, mountains; and saw that he house, with his long, and only the tones of his voice could tell how coming on towards the house, with his long, and only the tones of his voice could tell how coming on towards the house, with his long, and only the tones of his voice could tell how.

> "There's no need to do that," he said, "for head away and covered her ears with her hands. either way I am a broken man. But you shall man, who parts us." Saying this, a ghastly white hand seemed to Saying this, a ghastly white hand seemed to FFICES in VICTORIA BUILDINGS aweep across his face, but at the next moment TO BE LET with Immediate Possession. he smiled feebly and said, "God bless you both " Then be turned to go, but Greebs caught him

by both hands. "Jason," she marmured, "it is true I cannot love you, but if there was another name for love that is not He twisted back to her as she spoke, and his face was unutterably mournful to see. "Don't look at me like that," he said, and drew away. She felt her face flush deep, for she was asbamed Love was her pole-star. What was Jason's ? Only the blankness of despair.

"Oh my beart will break," she or ed. "Jason," she cried again, and again she grasped his bands, and again their eyes met, and then the brave girl put her quivering lips to his. "Ah, no," he said in a basky voice, and ho broke from her embrace. (To be continued.)

"Ah!" he said almost insudibly, and drew a NE. BOX OF CLARKE'S B 41 "PILLS

much under the shadow of their distresses. At my heart. Do you know whom I mean? Greeks, his throat, and the birds and threw them my heart. Do you know whom I mean? Greeks, the porch, and untied the birds and threw them my heart. Do you reministe? You could do you reministe? You could he grave, but never afterwards had he been hardly speak to make it. I had forgotten my heart I would bring you these," he said. Drug Company, Lincoln, England. Children's 1/8 per dot Hemstitched-
